

# NORTH TO ALASKA

## A 7 NIGHT ADVENTURE FOR 2 PEOPLE

Visit the real Alaska...not the tourist inland passage...  
the Alaska that is a little bit urban and more than a little bit wild!

Spend 3 nights in Seward at a modern village accommodation and 4 nights in Anchorage at a nice hotel. A rental car will be needed.

Enjoy the scenic drive to Seward, approximately 120 miles from Anchorage. This drive takes you past Summit Lake so get out your field glasses and a camera as there is a possibility of seeing moose, bears, and other Alaskan wildlife! We will provide a "Points of Interest" sheet with stops to visit along the way! In Seward, you will have a Kenai Fjords National Park Glacier & Wildlife Cruise!

Drive back to Anchorage for your remaining 4 nights in Alaska and visit more points of interest along the way! Savor the fabulous food and enjoy the amazing scenery surrounding Anchorage. You will have an Anchorage City Tour where you will try wild smoked salmon & reindeer sausage. This tour also stops at must-see attractions such as Ship Creek and the 20-foot tall chocolate waterfall at Alaska Wild Berry Products.
