

The Wonder of Ireland

6 nights for 2 people

This adventure begins in the quaint town of Cork, with riverside walks, quirky museums and an 18th century food market there is plenty to see and do. While there you will experience the city with a tour and then spend some time in the beautiful gardens of the Blarney Castle and don't forget to "kiss the Blarney stone". From there you will move by private transfer to the town of Galway on the Atlantic coast. This city is wild and bohemian, and at the same time full of culture, artistry, exceptional food and music. See the wonder of the Cliffs of Mohr and experience the food of the region on a food tour.
